

NINDS Intramural Research Program Reporting Chart (10/27/22)

Clinical Reporting

Walter Koroshetz, Director, NINDS

Office of the Clinical Director (OCD), Nath, Clinical Director (CD)
Deputy Clinical Director, Reoma

Research Services

Clinical Trials Unit
Image Analysis Core
Clinical Training

Clinical Services

Electroencephalography
Electromyography
Neurology Consult
Pediatric Neurology Consult
Parkinson Disease Clinic
Neuroimmunology Clinic

Academic
Reporting

Office of the Scientific Director (OSD)
Scientific Director (SD)

Assistant Director for Science Administration
Research Training/Career Development Office
Intramural Administrative Management Branch
Intramural IT/Bioinformatics/Web Development
Program Coordinators & Scientific Analyst/BSC

Laboratory
of Functional &
Molecular Imaging

Koretsky, Chief
(tenured)
Functional & Molecular
Metabolic Imaging
Duyn (tenured)
Advanced MRI

Senior Scientist
Units in the BNP

Sasaki
Genetic & Dev.
Neurobiology
(Coming spring '23)
Talmage
Genetics of
Neuronal Signaling

Clinical

Academic

Reporting

**Medical Neurology
Branch**

Hallett, Branch Chief
Human Motor Control
(lab closing) *
Cohen
Human Cortical
Physiology & Stroke
Neurorehabilitation

Neurogenetics Branch

**Bonnemann (Acting
Branch Chief)**
Neuromuscular &
Neurogenetic Disorders
of Childhood
Ward (TT) Inherited
Neurodegenerative
Diseases
Narendra (TT)
Inherited Movement Dis.
Scholz (TT)
Neurodegenerative
Diseases

**Neuroimmunology and
Neurovirology Division**

Jacobson
Viral Immunology
McGavern
Viral Immunology &
Intravital Imaging
Nath
Infections of the Nervous
System
Reich
Translational
Neuroradiology
Cortese (ACI)
Experimental
Immunotherapeutics

Stroke Branch

**Gottesman,
Branch Chief**
Stroke Diagnostics &
Therapeutics
Latour (SrSc)
TBI/USUHS CNRM

**Staff Clinician w/BSC
reviewed resources**

Wassermann
Behavioral Neurology

**Surgical Neurology
Branch**

**Kareem Zaghoul,
(Acting Branch Chief)**
Functional Neurosurgery
Section
Youle
Biochemistry Section
Heiss, Medical Director
Clinical Unit
Chittiboia (TT)
Pituitary and Inheritable
Diseases
Jackson (TT)
Developmental
Therapeutics &
Pharmacology
Inati (ACI)
Neurophysiology of
Epilepsy
Brown (ACI)
Neurosurgical Oncology

**Independent Sections
(Tenured PI)**

Goldstein
Clinical Neurocardiology

FACILITIES

NINDS Facilities

Translational Neuroscience
Center (Nath)
Animal Health & Care (Narver)
Light Imaging Facility (Smith)
Electron Microscope (Cheng)
Proteomics Facility (Li)
Flow Cytometry (Maric)
Reproductive Biology & Genetics
(incoming Sasaki, SrSc)
Viral Production (Fields)
qMRI (Bhagavatheeshwaran)
IT/Bioinformatics (Fann/Johnson)
Biospecimen Core (Amin)
Cryo EM Core (Zanlin Yu)

**NIH Wide Facilities
Administered by NINDS**

NIH MRI Facility (Talagala)
Mouse Imaging Facility (Klaunberg)
Stem Cell Unit (Park)

**Facilities to which NINDS
Contributes (Institute)**

Instrumentation (NIMH - Dold)
Bioengineering & Physical
Science/DBEPS (NIBIB)
Microarray (NHGRI)
Functional MRI Facility (NIMH)
Neurophysiology Imaging
Facility – Primate (NIMH)
PET Facility (CC)
RNAi Facility (NCATS)
Imaging Probe Development
Center (NHLBI)

**Independent
Sections/Units**

Tenured

Diamond (Acting SD)
Synaptic Physiology
Forest
Computational Structural
Biology
Giniger
Axon Guidance and Neural
Connectivity
Gordon
Integrative Neuroscience
Holmgren
Molecular Neurophysiology
Khaliq
Cellular Neurophysiology
Lu
Synapse & Neural Circuits
Mindell
Membrane Transport
Biophysics
Nelson
Neural Circuits
(lab closing) *
Ngai
Molecular Neurobiology
Section
Reese
Neurobiology
Roche
Receptor Biology
Role
Circuits, Synapses and
Molecular Signaling
Roll-Mecak
Cell Biology & Biophysics

Tenured Cont'd

Sheng
Synaptic Function
Sibley
Molecular
Neuropharmacology
Smith
Cellular & Systems
Neurobiology
(lab closing) *
Swartz
Molecular Physiology &
Biophysics
Wray
Cellular &
Developmental
Neurobiology
Wu
Synaptic Transmission
Yuan
Dendrite Morphogenesis
and Plasticity
Tenure Track
Fu
Glial Cell Biology
Gu
Spatial Navigation &
Memory Unit
Levine
Spinal Circuits and
Plasticity
Wagner
Neocortex-Cerebellum
Circuitry
**Ind. Research Scholar
(1td 3yr appointment)**
Sheikhabaei
Neuron-Glia Signaling
and Circuits

LEGEND

TT = Tenure Track Investigator
ACI = Assistant Clinical Investigator
SrSc = Senior Scientist (non-tenure positions)
Yellow = Clinical Neurosciences Program (clinical matters report to the CD, all academic report to the SD)
Blue = Director's Office, SD Office, and Facilities/Cores
Green = Basic Neurosciences Program

* Labs closing: Drs. Nelson, Hallett, and Smith labs are closing, Drs. Nelson, Hallett, and Smith will maintain positions in the DIR.
Drs. Fischbeck, Theodore, and Walters respective labs have already closed, all maintain positions in the DIR. Coming soon Dr. Sasaki Lab.
